

MANU GUPTA

Software Development Intern Candidate | Java Backend & Web Development

Greater Noida, India | manug9868@gmail.com | [+91 89207 46866](tel:+918920746866) | [LinkedIn](#) | [GitHub](#) | [LeetCode](#) | [GeeksforGeeks](#)

Profile

Third-year B.Tech Computer Science student pursuing software-development internships. Builds Java and web applications with an interest in clean application structure, database-backed workflows, and dependable user experiences.

Education

Galgotia University, India

B.Tech, Computer Science | Sep 2024 - Expected 2028 | CGPA: 7.7 / 10.0

Relevant coursework: Data Structures & Algorithms, DBMS, Computer Organization & Architecture, Advanced Java

Projects

Student Management System

Java · File I/O · OOP

- Built a Java console application to record student marks in a local file, validate inputs, calculate grade-point averages, and display marksheets by admission number.
- Organized record entry, lookup, calculation, and validation into dedicated service, model, and utility classes.

Medicity

HTML · CSS/SCSS · JavaScript/jQuery · Vercel

- Built a multi-page healthcare website covering appointments, doctors, departments, services, shop, and contact experiences.
- Implemented the front-end with static HTML, CSS/SCSS, and JavaScript/jQuery; configured a Vercel root rewrite for the site entry page.

Online Job Portal

Java · JSP · Servlets · JDBC · MySQL · Maven · Tomcat

- Developed an academic Java web application for employers to manage jobs, job seekers to submit applications, and administrators to manage users and job approval.
- Applied MVC with JSP views, Servlet controllers, DAO-based JDBC persistence, HikariCP connection pooling, session routing, and explicit approval/audit transactions.

Technical Skills

Languages: Java, C, JavaScript, SQL

Web: HTML, CSS, React.js, Node.js, Express.js

Databases & Tools: MySQL, MongoDB, JDBC, Maven, Apache Tomcat, Git, GitHub

Achievement

Smart India Hackathon | Sep 2025

Qualified and ranked among the top 130 teams out of 500+ teams.
